Tony Sweet worked as a professional jazz drummer for 20 years, playing with such jazz greats as Sonny Stitt and Joe Henderson. He started working in photography during that period photographing inside jazz clubs. Tony later changed careers and focused on nature photography. He is now best known for his fine art nature and floral images.

He uses digital technology to produce fine art ink-jet (giclee) prints. His photographs are published worldwide and represented in the Getty Picture Agency. He has 2 images on Apple Macintosh computers desktop patterns. Tony conducts photography workshops

throughout the continental United States and Canada. He maintains an active speaking schedule on the subjects of nature and flower photography and marketing, lecturing at professional photography organizations, universities, seminars, and workshops in the U.S. and Canada. He is a member of the Baltimore chapter of ASMP, a member of nikSoftware's Team Nik, as well as a Nikon Legend Behind the Lens.

Award-winning photographer Rick Sammon loves his day job. A tireless, prolific and inspirational image-maker, Rick, called by some "The Godfather of Photography," is one of the most active photographers on the planet – dividing his time between creating images, leading photo workshops, and making personal appearances.
